Lord's Day Services

February 16 – Oklahoma Churches

*The throne of grace is near
at hand. You have not to
travel far to reach it; there is
no lengthy and painful journey,
no wearisome and mortifying
pilgrimage. It is near at hand.
Lying down or rising up, going
out or coming in, in the streets
and in the house, in public or in
private, in the private chamber
or in the sanctuary, God is
everywhere, and where He is,
there is a prayer-hearing and
prayer-answering God.*

— Octavious Winslow

24 Tim Wenger (Switzerland) recently taught on “the Peacemaker’s hand” (handling conflicts with the gospel) at the Bruxelles Bible Institute. He has also recently started a Bible study for the Ukrainians at Neuchâtel. Pray that God will strengthen the weak, stimulate the children of God, and open the unbeliever’s eyes.

25 Please join the congregation in Carlos Paz, ARG (Pr. Marcelo Brondo) in upholding their dear sister Claudia, a young wife and mom of two little daughters, who’s undergoing chemo for extensive breast cancer. May God be pleased to heal and grant her additional years for her sweet family.

26 Pr. Obed Rupertus (Santiago, CHE) requests that we pray that the congregation increasingly grow in applying the gospel to daily life, that the teaching not be received only mentally, but in their hearts.

Also, please pray for Pastor S. to boldly proclaim God’s Word as he preaches the gospel. Pray for the villagers to be receptive to the gospel message and come to a saving knowledge of Jesus Christ

27 The Baldwins (Novi Sad, Serbia) have new projects they are exploring to expand Akademija, hopefully in 2025. Pray that our Lord gives them wisdom to know if and how He wants them to expand, and how He wants them to “promote” Akademija to neighboring countries.

28 Pray with Raul and Lidia Torres that the Lord would guide the church in Juarez, MX, and open doors so that they may share the gospel and be used according to His will to fulfill the Great Commission.

Also, please pray for Olivier Favre and David Vaughn as they finish preparations this month for a meeting of about 20 French-speaking Reformed Baptist pastors and elders from France and Switzerland. This 3-day meeting is to discuss the formation a French-speaking European Reformed Baptist association. The meeting will be held March 30–April 1.

The vision of Reformed Baptist Network
is to glorify God through fellowship
and cooperation
in fulfilling the Great Commission
to the ends of the earth.

Missionary of the Month

Welcome to the February issue of RBNets' *Missionary Prayer Guide* in which we are highlighting RBNet Missionary, Tiago Oliveira. Along with prayer requests from other RBNet missionaries, each Sunday we are featuring specific requests from our missionary of the month (as highlighted in green). Thank you for your interest in all of our missionaries and for your prayer support of them.

- 1 Olivier Favre asks prayer for the Reformed Baptist Church of Bulle, which is in contact with a young couple with a view to pastoral ministry. Pray that this couple would have a clear conviction of the place to which the Lord is calling them.
- 2 The Oliveiras ask prayer for FBC Lisbon (Portugal). Lord willing, they will receive seven (7) new members in February. Pray for the new members, but also for those who are visiting, especially unbelievers, to come to faith.
- 3 Please pray for health for the Emadi family (Rep. of Ireland). They have all been extremely sick.
Also, the Masters' (Córdoba, Argentina) eleven-year-old grandson, Emmett (son of Daniel), has been diagnosed with Crohn's Disease and is dealing with some very tough challenges. Please pray that Emmett will be able to complete the needed testing.
- 4 Baruch Maoz' book, *God In His Beautiful Greatness*, (Founders Press) has been published. Please pray God will use it to draw many to love him warmly.
- 5 Sam and Emma, working in Southeast Asia, ask that you join them in praying for their friend Lek. They were recently able to share the Word with him and are asking that the Father would work in Lek's heart.
- 6 Please pray for VASE (Voluntarios en Ayuda Social y Evangelismo). The Secrests established this Peruvian NGO in 2019 with the purpose of sending out Peruvian medical and evangelistic teams to areas of need in Perú. Funding is needed for VASE to purchase medical supplies, fund the yearly campaigns and to help cover Larry's trip expenses. Pray that the Lord would supply the need.
- 7 Please pray for the Selphs as they minister among very poor people on the west side of Atlanta. Wisdom is needed to determine the line between sharing compassionately and calling for personal responsibility.

8 USAF Chaplain G. gives praises that the Lord is working mightily in the Osan AB Chapel. Worship is packed every week and Bible studies have multiplied, with one study alone having 70 members! Please pray for God to continue to use His Word to fortify faith and sanctify souls.

Also, the Baldwins (Novi Sad, Serbia) give thanks for new students from the country of Albania. They will be visiting them for an Orientation and Research Methodology course this month. This is a new endeavor for Akademija, and the Baldwins need wisdom to know how best to serve them as they start their studies.

- 9 Pray with the Oliveiras for Martin Bucer Seminary (Portugal). Pray for professors and students at the beginning of the second semester. Pray, also, that God will raise qualified men to pastor the churches.
- 10 Raul Torres asks we pray that the Lord would grant him wisdom to prepare more men for ministry and the diaconate in Juarez, MX, and to be faithful leaders in their homes.
- 11 Pray for grace as Michael and Ashley Emadi (Rep of Ireland) try to reach out to the Iranian community in Belfast.
- 12 USAF Chaplain S. asks prayer for their Chapel community as he preaches through Luke. Pray that God would be pleased to use His Word to bring the lost to faith and shore up the faith of His children.
- 13 Tim Wenger (Switzerland) asks we pray that the Lord would grant wisdom as they seek to develop the children's camp ministry. Each year they have more participants, necessitating more counselors and places to hold the camps. They praise the LORD for the interest and pray that His life will be sown in the lives of children for eternity.
- 14 Pr. Marcelo Brondo (Carlos Paz, ARG) requests prayer for the new group that has begun to convene in nearby Santa Cruz del Lago. The individuals are deeply wounded but have a hunger for the Lord and His Word.
- 15 Please uphold the growing congregation in Santiago, CHE (Pr. Obed Rupertus) as they pursue the process of establishing a formal membership with a membership covenant in this trimester.
Also, pray for the Selph's evangelistic ministry in west Atlanta as they conduct a Bible study every Tuesday night with people of the community.

16 The Oliveiras ask prayer for Rúben and David (Tiago and Marta's oldest sons). Pray for their spiritual condition. As they move to college, they face temptations, and their faith is tested. Pray the Lord would sustain them and protect them from the enemy, and grow them in faith and holiness.

17 Baruch Maoz asks that we pray that the teaching of seminars in Israel on church life and on the Reformation will be used of the Lord to strengthen and purify the church in Israel.

18 Sam and Emma, working in Southeast Asia ask for your prayers as they continue transitioning to a new province away from their friends and many conveniences of the capital city. They also would ask for prayer for wisdom and favor as they look to the future and begin to work among and introduce themselves into the minority language group area where they hope to live long-term.

Also, the Secrests ask prayer for Claudio and Amy Molina. Larry and Bonnie are working with them to help establish a Hispanic church plant in Greenville, SC. The church plant is Iglesia Piedra Angular.

19 Please pray for the Masters' (Córdoba, Argentina) pastoral team as they work this summer to define the path for the new church year, which begins in March. They ask for unity and clear direction from the Lord.

20 Please pray for the Lord to fortify faith and bring conviction through His Word as USAF Chaplain G. begins teaching a weekly Bible study and continues to preach regularly.

21 On February 22–23 David Vaughn will be giving a conference on spiritual warfare and demon possession at an evangelical church in Grenoble which is having some problems with false teachings on this subject. Pray that the Lord would give David wisdom and grace in teaching and answering questions during the time of question and answer.

22 Olivier Favre asks us to pray for the church of La Maison de l'Evangile in Mulhouse. Tomorrow they will have two baptisms, and probably several non-Christians will attend the service.

23 The Oliveiras ask prayer for the Rede Reformada (a Portuguese network of like-minded pastors). Pray that the network might grow and be united around the Gospel and Missions.
