# MISSIONARY PRAYER GUIDE

"For the earth will be filled with the knowledge of the glory of the LORD as the waters cover the sea"

**HABAKKUK 2:14**

21 USAF Chaplain S. preached at the Lackland Chapel on November 29. The service was attended by a large number of Airmen. Pray that the gospel that went out will result in sinners being saved.

Also, USAF Chaplain G. asks prayer for our military chaplains in the upcoming year with regard to challenges that will be faced following political transition.

22 God is great and surprises us. During the pandemic when no worship services could be held in Chile, three new families have united with the Reformed Baptist Church in Santiago, where Pastor Obed Rupertus has been discipling many and preparing some for baptism (planned for February 7).

23 A fellow missionary of the Baldwins' in Serbia has just been removed from the field. Pray for the Baldwin family as they deal with the ramifications of this hardship.

24 Please pray for wisdom as Michael and Ashley Emadi (Rep. of Ireland) meet with a couple whose marriage is hanging by a frayed thread.

25 Pray with the Masters for the new leadership at the seminary in Argentina. Many plans were put on hold this year, but missionary Jason Wright and his team are gearing up for next year.

26 The brothers and sisters in Santiago, Chile (Pastor Obed Rupertus) are grateful for two "first" opportunities to meet again physically: about 35 joyfully gathered outside the city November 22 at a Christian campground; on December 27 they plan to hold a joint meeting with the congregation in nearby Curacaví to give thanks.

27 Pray for Baruch Maoz as he teaches via Zoom a course on the doctrine of God to a church in Israel.

Ben Kilian reports that African Christian University is on "summer" break, but is preparing for a new academic year by the end of January. Pray with them for increased enrollment.

28 Pray for a family that USAF Chaplain S. is counseling. They are on the road to recovery. Please ask the Lord for continued healing and reconciliation. USAF Chaplain G. asks prayer to have favor with his leadership at Maxwell AFB, and to have opportunities on base and in the community to communicate the gospel.

29 Pray for the Secretsts' (Peru, but currently state-side) health as they visit churches and doctors in order to continue their ministry in Lima.

30 Rejoice with Argentine pastor Jorge Molina and the Reformed Baptist Church in Carlos Paz. The Lord has provided a nice place for them to meet, just in time for their first gathering since March. God has answered our prayers!

31 Despite the fact that the church in Juarez, Mexico is still in quarantine, the Torreses report that had 4 new families constantly joining their Zoom meetings. Please pray for the salvation of these families.

They are beginning to take lost people there even though the Covid-19 situation is slow to ease up. Please also pray for the Selph's weekly Zoom Bible study. It is showing some encouraging signs among several ladies

Also pray for the 500 Bible calendars distributed in the mailboxes in the church's neighborhood and at the stands on the street.
- 20 Trevor Johnson (Papua, Indonesia – on sick leave) reports that much has been accomplished, including the opening of a 25-child dorm, support of 5 teachers, 17 Papuans received advanced schooling to become teachers, nurses, and evangelists with 6 graduating in October and November. The mission is a success, and an indigenous church has been born. However, Trevor is in great need of prayer for his health. He suffers extreme chronic pain and depression because of it.
