Pray for him to make the best use of the time with his two sons, and that he will be able to help them in their walk with Christ. MISSIONARY PRAYER GUIDE

“For the earth will be filled with the knowledge of the glory of the LORD as the waters cover the sea”

HABAKKUK 2:14

- 1 The Masters (Argentina) request prayer for their son, Daniel. His new team of doctors are trying to get him in to see a neurology specialist in Charleston. If he's given an appointment then they will need to figure out many details: what to do with the kids, how to get down to South Carolina, how to pay for it all, etc.
- 2 Trevor Johnson (Papau, recovering in Malaysia) reports that he is doing better physically. Please continue pray for complete healing.
- 3 The Emadis (Rep. of Ireland) request prayer for their upcoming visa renewal. The government has clamped down, and they are unaware of any new visas having been issued last year.
- 4 USAF Chaplain S requests prayer for the Richardson family, they found out that a brother/brother-in-law has late-stage cancer and only a few weeks to live. May the Lord choose to heal him, but if not, may He grant comfort to the family and assurance in Christ.
- 5 The books for the Women's Book Study at Covenant Reformed Baptist Church of Barbados have been stuck in customs since October. Please pray with the Ryttersgaards that CRBC will be able to get them soon so the women can begin their study together!
- 6 The Secrests (Peru) ask prayer for direction as they consider what work or church they might be able assist as they enter the new year.
- 7 Pastor Obed Rupertus in Santiago, Chile has been visiting and helping 48-yr-old church member Gabriel and family almost daily as they prepare their hearts and minds for the looming separation that his imminent death after a long battle with cancer will bring. Please uphold wife Marcela and their children Marcela Paz (23) and Matias (11) in your prayers.
- 8 The Kilians are traveling in the US through January. Pray for a restful time with family and many opportunities to share about African Christian University and what God is doing through the churches in Zambia.
- 9 In this time of financial crisis in Argentina with 50% inflation and poverty at 40%, national pastor Jorge Molina and his family in Carlos Paz are deeply thankful for the support of brothers and sisters in RBNet churches, which enables them to meet their living expenses each month.
- 10 The Johnson's (Papau, recovering in Malaysia) report that all foreign visas to Papua are blocked due to "security" issues/violence. In March they will move to East Timor as Plan B if their visas are not granted. Please pray regarding this matter.
- 11 The Baldwins (Serbia) ask that we pray that the Lord would send new workers for the school from among the nationals who would have a vision to labor along with them. People there tend to eschew goal-setting and godly ambition for His kingdom as sinful and pointless.
- 12 Please pray with Olivier Favre for the Church, La Maison de l'Evangile, as they are starting to pray and search for a young minister who will be able to take over after Olivier. Pray for heavenly wisdom and guidance.
- 13 With new leadership in place, please pray for USAF Chaplain G to have favor with the new wing chaplain and the new wing leadership (Cdr. & Dep. Cdr.); to have energy and wisdom in fulfilling his duties; and to have opportunities to discuss the Gospel.

- 15 The Johnsons (Papau, recovering in Malaysia) request prayer for health and healing for those to whom and with whom they minister. Their first ever Bible school student from their scholarship program recently died, after a few years of labor. The pregnant wife of Evangelist Wemin is also critically sick and was recently med-evaced. They give thanks for the funds received to cover her medical needs.
- 16 John Kortie's (Native Amer, AZ) shoulder has healed enough to return to preaching in the jail on the Gila River reservation this month. Pray that men will be transformed by the gospel.

- 18 The Maozs (Israel) request prayer as they say their goodbyes, pack, and prepare to relocate to the states on March 4th. Please pray as they try to sell off as much as they can. Also pray for Baruch as he preaches in various churches, as a way of saying goodbye and being a challenge to the folks one last time.
- 19 Please pray for health for the Emadi family (Rep. of Ireland). They have been extremely sick over the past 1.5 months.
- 20 USAF Chaplain S requests prayer for a recently retired Marine Corps officer and his family. Their marriage and family needs earnest prayer for healing and recovery.

He asks us to pray for the last Sunday of the month as they invite folks to a Gospel-preaching service that morning. In the afternoon the Bible will be presented with The Bible Project (<https://thebibleproject.com/francais/>).
- 22 Jon Ryttersgaard ask that we please pray that Covenant Reformed Baptist Church of Barbados will be able to purchase the land that their church building sits on. There has been no communication from the owner for approximately one year, but "the heart is in the hand of the Lord... he turns it wherever he will" (cf. Proverbs 21:1).
- 23 Pray for the Secrests' (Peru) health as they continue to maintain a full schedule with churches and medical teams. Bonnie turns 70 in 2020 and Larry will hit the 73 milestone.
