

20. The Secrests request prayer for wisdom as their church leadership (Iglesia Bíblica Gracia Eterna) selects elder candidates. The process should conclude by the end of the year. They are averaging 15 visitors per Sunday and need help with the work load.
21. In a time of ministry discouragement the Lord providentially provided a monetary gift that allowed the Baldwins to host a reception in honor of their 25th anniversary. They invited 60 Serbian nationals, allowing them to have a good testimony in the community. The gift was within \$10 of the cost of the reception. Join in praising God in the knowledge that He always provides what is needed, even emotional encouragement.
22. Baruch and Baracha Maoz give God thanks for 50 years of marriage, and ask that we pray regarding new preaching opportunities that are opening in Israel.
23. The Korties give praise that church services are going well. On Sunday afternoons they meet in the village of Chuichu. Natasha and her 3 boys have attended every week, and the Korties now meet in her yard for church. Continue to pray for her salvation and that her boyfriend, Jesse, will attend. On Wednesday evenings they go to Archie Hendricks Nursing Facility in the village of Ak Chin. There has been good attendance, and the Korties are getting to know the residents as they pray with each of them after the service.
24. Our brother with a ministry in the Far East requests prayer for God's help and blessing, for both students and himself, as he teaches Biblical Counseling in Nariobi, Kenya (March 25–29). This will be the first time ministering here.
25. Pastor Obed Rupertus (Santiago, Chile) ask us to persist in prayer for a better location to meet. Meanwhile, two couples have left the church.

26. The Selphs ask for prayer as they go out each Saturday in street evangelism around Atlanta's west side.
27. The congregation in Carlos Paz, Argentina, is under attack from charismatic pastors who teach that the doctrines of grace that Pastor Jorge Molina preaches are false doctrine. Pray for perseverance in truth and wisdom in giving a gracious response.
28. The Baldwins are praising God for their sending church, Heritage Baptist Church of Owensboro, KY, and the REACH Ladies' Ministry there. They were able to raise the funds to provide for Kimberly to travel to Kentucky from Serbia in March to attend the Ladies' Conference. This is a much-needed rest for Kimberly.
29. Pray with Sam and Carita Masters (Argentina), as they uphold the new congregations in Villa Dolores and Mercedes.
30. Beijing Baptist Church, Beijing, China, will begin "*The Vine Project*" by Colin Marshall and Tony Payne as an effort to make sure the church is nurturing a culture of disciple-making. Pray for spiritual growth in the lives of the believers.
31. Please continue to pray for the men in leadership training at Covenant Reformed Baptist Church of Barbados. Among other responsibilities, they will be preaching while Jon is in Canada.

## March Prayer Requests

1. Baruch Maoz (Israel) asks prayer for speedy handling and positive results of Bracha's application for an immigration visa.
2. Mark Hatfield (Beijing Baptist Church) will join Pastor Jamie Howell (Grace Baptist Church of Taylors, SC) in a closed country to train pastors February 28–March 12. Pray for traveling mercies, new relationships with local pastors, strengthened relationships with old friends, and clear teaching and translating of the messages.
3. The Emadis (Rep. of Ireland) request prayer regarding the renewal of their visas, as they still have not heard anything.
4. Pray for Lisa and Colm, with whom the Emadis (Rep. of Ireland) have shared the gospel numerous times. Colm is having surgery for a collapsed lung.
5. The Johnsons (Malaysia) request prayer for a female teacher who was kidnapped, raped and abused while ministering in Malaysia. The assailant is a bible school student in another denomination. The Johnsons are seeking his removal from the ministry and arrest.
6. The Selphs request your intercessions for their work with the untaught children of Atlanta's west side. They labor twice a week to teach the kids (2nd–5th grade) the stories and Gospel of the Word of God.
7. The church in Santiago, Chile (Obed Rupertus) requests us to join them in praying for two brothers: Gabriel, whose colon tumors continue to grow in spite of 8 years of intermittent chemo (wife Marcela); and Luis, who is awaiting surgery to receive 2 prosthetic knees (his job as a painting supervisor requires that he be up and down stairs constantly inspecting new buildings).
8. The Secrests request prayer for the finalization of the needed documents for the organization of their medical mission outreach, Voluntarios en Misiones Médicas y Evangelísticas del Peru (Volunteers in Medical and Evangelistic Missions of Peru). This will enable them to raise funds in Peru and outside of Peru for the promotion of medical and evangelistic teams. They will continue to work with teams from the States, but this organization will give them the means to promote Peruvian teams.
9. Olivier Favre requests prayer for the board of teachers of Le Collège Biblique, the bible college for men in Lausanne, France, as they meet today to evaluate the new students and discuss the training that will restart this fall.
10. Sam Masters (Argentina) requests prayer for progress on remodeling their new seminary building so it is truly useful.
11. Please pray for safe travels for Pastor Jon Ryttersgaard as he travels from Barbados to Toronto to report on the church plant at his sending church.
12. Please pray for David Vaughn as he teaches tomorrow on the Spiritual Disciplines at the John Calvin Seminary in Aix en Provence.
13. The radio program that Pastor Jorge Molina had been hosting in Carlos Paz, Argentina, was suspended because the station had changed their time-slot to one that was not being heard. The church requests our prayer for fruit from this ministry as they re-initiate the gospel program on another radio station.
14. As Baruch Maoz (Israel) draws near to the end of editing the translation of Paul's letters, please pray for much wisdom and for grace to translate faithfully.
15. John Kortie has been given permission to donate books and Bibles to the library at the Gila River Correctional Facility, where he preaches every Wednesday morning. The inmates are all natives from various tribes. He has a need for books on basic Christianity and Biblical counseling, as well as ESV Bibles, that he can donate. Pray that the Lord would supply.
16. The Favres (France) are thankful for new people that are being added to their church and requests prayer for unity during their church business meeting tomorrow.
17. Our brother with a ministry in the Far East requests prayer for God's help and blessing, for both students and himself, as he teaches Early Church History in Ndola, Zambia (March 18–22). Good jet lag adjustment and strong voice are special needs.
18. On March 18-23 the church plant in Bouc Bel Air, France will be distributing 2500 packets to homes in 4 adjoining towns they are trying to reach. These packets contain a gospel of John, a letter from the church and a flyer-invitation to a Friday-night conference two weeks later on the theme, "If God exists why is there so much suffering in the world?" Please pray for this distribution. Teams who distribute the packets will ring doorbells, try to make contact, give the packets personally to people, and engage them in conversation.
19. Trevor Johnson (Malaysia) requests prayer for himself and his family during this time of recuperation. Teresa reports feeling better than she has in 15 years due to several months of rest. Trevor continues to have ongoing liver, spleen, gallbladder, thyroid and chronic insomnia issues, due to pain. Also pray for the children's sense of security and adjustment to a new home.
