

- 22 Pray for the distribution of Baruch Maoz's books and the speedy publication of his commentary on Galatians and the book on church life.
- 23 Please pray for USAF Chaplain G. to have a spirit of perseverance as he finishes his time at Eglin AFB, including physical and mental strength; and for him to have favor with his new leadership (Commandant & Deputy Commandant); to have energy and wisdom in fulfilling his duties; and to have opportunities to discuss the gospel.
- 24 Please pray for the Secrests' (Peru) health and for the incorporation of a weaker church with the same doctrinal foundation into their fellowship via Zoom and Facebook.
- 25 Pray with the Kilians for the Reformed Baptist Churches in Zambia. Some are able to stream services, but many people throughout the country do not have reliable internet access, and it is much more difficult to provide member care during these turbulent times.
- 26 The Korties (Native Amer., AZ) request prayer for both pastors Jay Juan and Lee Miguel as they seek to minister to their congregations during this challenging time. Technology is not a widely used venue on either reservation, so they primarily minister to their people through phone calls. Both men are also still working secular jobs during this time.
- 27 The Wells (Italy) praise God that Ken's brother and sister-in-law have completely recovered from the COVID-19 virus.
- 28 RBN Net Coordinator, Gordon Taylor, reports that a trip scheduled for July to a restricted country for evangelism had to be cancelled. Pray that travel can soon be resumed.
- 29 Pray for Baruch Maoz as he translates and writes Bible study notes on the Prophets, works on the New Testament translation, and writes a book on Hermeneutics.

- 30 Pray for the Pioneer Valley Baptist Chapel, Chicopee, MA as they make plans to host the RBN Net General Assembly, September 21-24. Registration should open in early June. Pray that restrictions will be lifted so that PVBC can host us!
- 31 Pray for the Baldwins (Serbia) now in the States on furlough that travel restrictions will be lifted so they can visit supporting churches.

MISSIONARY PRAYER GUIDE

"For the earth will be filled with the knowledge of the glory of the LORD as the waters cover the sea"

HABAKKUK 2:14

- 1 Please pray for a Zoom meeting the Vaughns (France) are to have had the last week of April with several of Nicky's non-Christian English class students. These are businessmen/women who have shown some interest in spiritual things. The Zoom session was to be an introductory session with a short evangelistic message from a Bible passage. The goal of this meeting was to serve as a prelude and invitation to a 6-week Discovering Christianity Bible Study which they will start right away by Zoom meetings if at least two of the people are interested.
- 2 The Favres ask us to pray for SP, the charismatic pastor from the Church where the virus started in Mulhouse (France). He gave a moving testimony that the Lord taught him His holiness and sovereignty during the time he was sick in hospital with COVID-19. Pray that this will bring a change in his ministry, for the glory of God.
- 3 Pastor Obed Rupertus and the congregation in Santiago, Chile, join all of us in asking God that as churches we'd spur each other and our neighbors not to focus on the purely physical issues of health and the economy during this time, but to instead see the desperate spiritual needs of our world: our necessity of Him and His gospel!
- 4 The Emadis (Rep. of Ireland) ask that we continue to pray for their visa situation. They need to hear something by the second week of May.
- 5 Pray for Trevor Johnson (Papua/recovering in Malaysia) as his health continues to fail. He passes out and has dry-heaving and periods of unconsciousness that causes him to fall with some injuries.
- 6 Please pray for the Selph's gospel work in Atlanta, especially coming out of this extended time of pandemic quarantine. It will be an opportunity to adjust their use of time and energy in gospel outreach...ceasing to do certain things and beginning to focus on other things.
- 7 Please pray for wisdom for Michael and Ashley Emadi (Rep. of Ireland) as they continue to do much counselling.
- 8 Please pray for USAF Chaplain G. & family as they prepare for huge transitions this upcoming summer. Pray for him to make the best use of the time with his sons (Jameson, Jonathan), strengthening them in their walk with Christ, and for Sharon and him to make wise decisions regarding their future. They will be moving in the summer, while Jameson and Jonathan head out on their own.
- 9 Please pray for the Larry Secrest's (Peru) scheduled sermons for the next few weeks. He will be working through I Timothy and will send the sermons out via FaceBook to church members and those interested.
- 10 The Kilians ask prayer for patience and wisdom for the leadership of ACU (African Christian Univ.). Coronavirus has disrupted many aspects of institutional life. Decisions regarding future plans need to be made with wisdom and care for all involved.
- 11 Pray for Trevor Johnson's (Papua/recovering in Malaysia) children especially their 15-year-old son Noah. Trevor and Teresa have determined it is best, due to Trevor's health and the difficulty of recent transitions, to send Noah to the States to live with a pastor who also farms. Pray that the Lord will supply the funds for travel and the possible enrollment in a military school.
- 12 Please pray for a Sergeant that USAF Chaplain S. works with who recently lost a baby at birth. The Sergeant is a believer. Pray they grieve in the hope of Christ.
- 13 Pray with the Wells (Italy) for a long-term pastor for the church plant in Udine. Their current pastor is a career missionary who has been doing a fine interim job, but his long-term goal is to remain an evangelist in northern Italy.
- 14 The Masters (Argentina) are thankful for the increased opportunities for the church to share the gospel. They ask that we pray for much fruit to be harvested.
- 15 Pray for the Favres' (France) patience, as the confinement is lasting longer than they first thought it would be (already 11 Sundays without normal services). They are longing to seeing one another and meet together to worship the Lord. They are asking the Lord to give them wisdom to find good ways to organize their services when they slowly come out of the confinement.
- 16 Like many other congregations, The Reformed Baptist Church of Santiago, Chile, has members who've been laid off or are working fewer hours, some doing jobs much under their skill levels. Residents there often live 3 generations together in small homes with one bathroom, which greatly increases risk of contagion.
- 17 Please pray with the congregation in Carlos Paz, Argentina (Pastor Jorge Molina) that God will continue to guard their hearts and lives during this pandemic. They have need of a fellow-worker or missionary to labor with them in Argentina.
- 18 Pastor Jorge Molina (Carlos Paz, Argentina) asks that we pray that God will make their virtual fellowship effective for keeping alive their thirst for God. Pray especially for the marriage of one young couple.
- 19 Pray for an inmate on the Tohono O'odham reservation. He is able to call John Kortie almost weekly. He is frustrated being away from his family during this pandemic, and now a close family friend has passed away and he's not able to go to the funeral. Pray for John as he continues to share the gospel with him, and pray that his heart would be softened toward Christ.
- 20 USAF Chaplain S. asks prayer for the Reich family. They are AF veterans who recently lost their daughter (38) who died unexpectedly. Pray the family would know the peace of Christ.
- 21 The Master's (Argentina) son, Daniel, continues to struggle with health issues but is seeking the Lord about the possibility of helping with the seminary in Argentina. Please pray with them.
