MISSIONARY PRAYER GUIDE

- 21 AW and JP covet your prayers as they struggle in their hearts with leaving the U.S. They are excited but at the same time sorrowful. They love their church and family in the states, but they also miss their brothers and sisters in Christ in North Africa and long to bring the Gospel to those who have yet to believe. Pray Philippians 4:11 for them.
- 22 Pray for the Selphs as they minister at the City of Refuge women's shelter in Atlanta. Childcare now being provided on Saturday mornings allows mothers to attend the Gospel Bible study.
- 23 Pray for the four, three-minute videos the Favés (France) are working on that the gospel would be clearly presented and that they will finish the videos soon.
- 24 Pastor S.B. reports, "We lost our beloved brother Jonathan last year. His son Manohar will get his father's job, but he has to face the examination conducted by the government first. He needs the job in order for his family to survive. Please pray for Manohar to be qualified in the examination to get the job. Also pray for Jonathan's wife, Ruth, who lost her leg in the motorcycle accident.
- 25 The Reformed Baptist Church in Carlos Paz, ARG (Pr. Jorge Molina) requests our prayers that they'll use every means available to spread the gospel in their city.
- 26 Pray that the political, social, and sanitary conditions in Santiago, CHE (Pr. Obed Rupertus) would not decrease the church's commitment to take the gospel to their community.
- 27 Thank God with the Kilians (Zambia) that their daughter is recovering well from a broken arm. The doctor was able to set it well, and she is beginning to get range of motion back.
- 28 Please pray for the spiritual health and well-being of USAF Chaplain G's sons, Jameson and Jonathan.

- 29 Tim Wenger (Switzerland) is thankful for the Easter outreach that allowed many people to hear about the reality of the resurrection of Jesus Christ. They praise God, as well, for answers to prayer regarding Marlyse's health and that she is getting better day by day.
- 30 Pray that the situation in Peru would improve in regard to Covid-19. The Secrests would like to be able to resume their work with medical teams before the end of the year.
- 31 Pray for God to give guidance to Baruch Maoz as he edits his translation of Galatians and the letters to the Corinthians into Hebrews.

"For the earth will be filled with the knowledge of the glory of the LORD as the waters cover the sea"

HABAKKUK 2:14

- 1 Preparations to return to North Africa are piling up for AW and JP. Pursuing housing, visas, flights, schooling, business arrangements, vehicle and more are all part of the logistics that can occupy their minds. Ask the Lord Psalm 37:7 for them in this time.
- 2 Please pray for the Favre's (France) church business meeting today. They have to decide if they will call Valentin en Émilie Mazur for a one-year pastoral internship.
- 3 Please pray for the Selph's outreach work of being on the streets in Atlanta with snacks and Gospel leaflets. Recently there was an aggressively angry man coming at them with profuse racist-filled profanity. Many of the regulars that Bob and Cathi meet with came to their aid to stop the man.
- 4 Baruch Maoz requests prayer for God's enabling him to ensure verity, clarity, and brevity in preparing explanatory notes to the Psalms.
- 5 La Soufrière volcano in St. Vincent (an island neighbor to Barbados) erupted on April 9. Please pray with the Ryttersgaards for the people of St. Vincent as they cope with this disaster on top of the COVID-19 situation. Pray, too, for the Barbadians as they welcome Vincentian evacuees and deal with falling volcanic ash.
- 6 Please continue to pray for the spread of the gospel and the health of the church in S.E. India. Lockdowns are happening again in some areas.
- 7 USAF Chaplain S. asks for prayer for Christian and his wife as they rebuild their marriage. He also requests that we pray for our Air Force chaplains, that the Lord would use them to bring many to faith.
- 8 Please pray as Pastor Jorge Molina (Carlos Paz, ARG) works to implement strategic plans to flood their city with God's Word in upcoming months.
- 9 The Masters (Argentina) give praise that the first Master's-level class met in the new seminary building the beginning of April. Church History is the first class being recorded in the new studio. They ask that we pray for their son, Daniel, as he waits on results from his most recent medical tests. Pray for the Lord's guidance concerning that, and peace in waiting.
- 10 Pastor Obed Rupertus (Santiago, CHE) asks that we uphold in prayer the 7 that they recently baptized—that they'll continue to grow in knowledge and application of the Word.
- 11 Pray with the Kilians that the right people will be found to help in the agriculture department of African Christian University in Zambia.
- 12 Tim Wenger (Switzerland) asks prayers for Christian, a 61-year-old father, who has been diagnosed with a severe and sudden cancer. Also pray for the Wenger's church, which has seen several people depart and needs to grow.
- 13 John Kortie (Native Amer., AZ) has had the opportunity of coming in contact with a couple Reformed pastors in their area who are eager to network. He hopes to introduce Pastor Jay Juan to them in the near future. Pray that these men will enjoy fellowship and encouragement from each other and that the work on the reservations will grow from their friendship. Also pray for First Papago Baptist in Sells as they continue with their study of the 1689. It is exciting to see their eagerness to know God's Word and to worship Him.
- 14 Pray that the organization of the Secret's group in Peru would proceed well and that they will soon be able to present the group with a constitution and form a membership.
- 15 The Emadis (Rep. of Ireland) give praise to God that their visas have been extended until September. Please continue to pray that their residency applications will be approved quickly.
- 16 Pray for David Vaughn's training program with Michel and Joseito, two young men who are soon to be ordained as elders in the Gypsy church that has left Pentecostalism and adopted the 1689 Confession. Pray also for the numerous pastoral needs of the Gypsy men who have come to the doctrines of grace through these two men.
- 17 Please pray with the Baldwins that the Lord would provide a godly family to take the position that Dwayne is currently filling as head of the Baptist Theological School in Novi Sad, Serbia in order to allow both him and Kimberly to have an active role in the development of the Masters Program and other ministries. Developing a replacement for Dwayne is wise and necessary for the health of the ministry of BTS. Unless this happens, many of the activities of BTS will be limited, which will negatively impact the students, the future of the school, and ultimately the country of Serbia.
- 18 The Johnsons praise God that they have been able to open a remote jungle region in Paupa to the gospel and planted a church, a school, a medical clinic, and a dorm/orphanage there. Pray that the Lord would provide the funds needed to continue the work to help mature these believers and to send men to Bible school and linguistics training.
- 19 Please pray for USAF Chaplain G. to take bold yet wise risks in his position of leadership in order to help shape the future of the AF Chaplain Corps.
- 20 Please join the Torreses in prayer as they seek the Lord's blessing and direction to re-launch activities like Sunday school, evangelism, fellowship meals, and children's ministry in Juarez, Mexico. Also pray that the Lord would continue to guide in process of their acquiring their church property.
