

20. Dwayne Baldwin is preaching at the annual Reformation Conference sponsored by the Baptist Theological School of Novi Sad, Serbia. His topic is "Man's Nature". The churches of Novi Sad and the surrounding areas are against Reformed theology, and refuse to even mention the Reformation in their churches. The theology and ecclesiology of the professing Evangelical churches reflects this in many ways. Pray that God will open the eyes of the people and show them that they cannot earn nor keep their salvation by their own works.
21. Pray for the Selphs in Atlanta as they continue to teach the Gospel at the City of Refuge, the women's shelter. It has been quite an encouraging season with 20+ women eager to regularly get into the Word of God.
22. Give thanks on this USA Thanksgiving Day for the faithful gospel laborers associated with RBNNet and other faithful laborers around the world no matter what banner they serve under.
23. The Reformed Baptist Church of Carlos Paz, Argentina and its Pastor Jorge Molina thank the Lord that, in spite of the difficulties of gathering for worship in the Molina home, He has sustained and blessed them with joy during these tough months. Jorge & Bilma continue serving Christ through health challenges (heart & diabetes).
24. Our brother with a ministry in the Far East requests prayer for the upcoming week when he is scheduled to teach American Church History at the Copperbelt Ministers' College in Ndola, Zambia.
25. Please pray that Covenant Reformed Baptist Church of Barbados pastored by missionary church planter, Jon Ryttersgaard, will be able to purchase a permanent plot of land in the near future
26. Sam Masters, Argentina, asks for prayer for resources to build a theological library for the William Carey Seminary.

27. Please pray for God's blessing on the distribution and use of Baruch Maoz' recently published Introduction to the Life and Letters of Paul.
28. Please pray for the marriage group Ashley and Michael Emadi (Republic of Ireland) have started. There are 3 other couples in the group all of whom are having marital issues.
29. John, Bethanna Kortie and their daughter Jane have been receiving training as Biblical counselors. They still have 2 classes to go of the first phase, but already have their first counselees. Pray that they would give true wisdom from God's Word as they counsel this young family.
30. Please pray that Grace Bible Church San Diego and Pastor Sudarshan, in East India, will have wisdom and provision regarding a new parcel of land that just became available. This would provide a location for a church, and enhance the ministry of leadership training and orphan care.

November Prayer Requests:

1. Trevor Johnson is very ill. After malaria 23 times over 14 years his liver and spleen are swollen and he is in severe constant debilitating pain and often sleeps up to 16 hours each day. Please pray for healing. He thanks the Lord for the generous financial gifts that have allowed him to go to a better place in Malaysia for more advanced medical care.
2. Pray for the church « La Maison de l'Évangile » in Mulhouse, France as Olivier Favre will have three conferences on the five solas of the Reformation. Pray that there will be visitors and that new people attending the church will understand clearly the biblical foundation of the doctrines of grace.
3. Sam Masters, Argentina, asks prayer for their son Daniel. His health is still very bad, but Sam and Carita are encouraged by a new doctor who is working on his case.
4. John Kortie, Bethanna, and daughter Jane are going door-to-door in the village of Chuichu, AZ to meet the folks and after introducing themselves they ask if they own a Bible and if they can pray with them. Most say that they are Catholic and have a Bible so think they don't need prayer. However, last month they did meet 2 young women, Esparanza and Lucy, who were open to talking to them and seemed willing for them to return with a Bible. Pray that God would prepare hearts before our visits and that the people would be receptive to His Word.
5. Our brother with ministry in the Far East requests prayer for safety and good health in traveling and carrying out labors in India and Zambia. These labors will begin with teaching biblical counseling at the India seminary he regularly visits during the week before Thanksgiving week.
6. Please pray for grace as Baruch Maoz completes the editorial process of his translation of the New Testament and finalizes the translation of Revelation.
7. Pray for the Selphs in Atlanta as they continue to live in the hood. There has been a rash of violence recently that has left some of their neighbors fearful. Pray that gospel opportunities will transform some lives for Christ's sake. Bob and Cathi intend to continue the Panera Bread ministry in spite of the violence.
8. Please continue to ask the Lord of the harvest to grant conversions and growth (both spiritual and numerical) to the Reformed Baptist Church of Santiago, Chile, pastored by Obed Rupertus, as they continue to seek a better meeting place.
9. Please pray for Thiemo Raynaud, one of the key members of the church plant in Bouc Bel Air, France. A year ago he resigned from his first pastoral post, taken shortly after finishing his theological studies. His efforts to lead a small French evangelical church toward a Reformed position created strong and sometimes unchristian-like reaction on the part of certain influential church members. This was a traumatizing experience for Thiemo and his wife Yasmine, leading to Thiemo's resignation. For the last year they have been in the church plant in Bouc Bel Air and Thiemo has had a temporary job but wants to be trained for some new type of career. Finding the right path and training has been very difficult. Please pray that the Lord would guide this young couple and open doors for them and that they could stay in the area and continue to contribute to the church plant.
10. Missionary Jon Ryttersgaard asks us to pray that God will use the teaching from the recent Reformation Conference in Barbados to further mobilize the members of Covenant Reformed Baptist Church for evangelism, and that the Holy Spirit will draw people to faith in Christ through their witness.
11. Last month, a new family decided to move to Serbia and join the Baldwins in the ministry of the school in Serbia. They are Logan and Molly Copley with their 6 month old daughter Lillias. Their sending church is a Reformed Baptist Church in Columbus, Georgia. Please pray that they would be able to raise the support they need to make the move. They are committed to stay "forever" if the Lord's wills. Logan will oversee development of a languages curriculum at BTS and hopefully lead a non-formal education site for Roma.
12. Pastor Sudarshan reports that persecution in East India has been ramping up. This is especially bad when the Hindu festivals are happening. Last month, Hindus shot fireworks into a gathered gospel/ prayer meeting. One exploded next to Pastor Abraham's face. Please pray for safety.
13. Please continue to pray that the visas for Michael and Ashley Emadi will be renewed. These visas to Ireland expire in January. They hope to find out in November but it could take longer.
14. Pray for Olivier Favre as he will be teaching the students at the Belgian Bible School this coming weekend.
15. Please pray for the evangelistic meeting to be held Friday evening, Nov.16 at the church plant in Bouc Bel Air, France. Flyers will be distributed to friends and more widely at the open air markets and in neighborhoods. On the 16th a film with a Christian testimony will be shown followed by a time of discussion led by David Vaughn.
16. Pastor Jorge Molina, pastoring the Reformed Baptist Church in Carlos Paz, Argentina, is thankful for an in-depth Bible study he's recently begun with two men from the congregation (one a seasoned deacon and the other a newly-congregating young man), seeking together to glorify God by knowing Him better (Jer. 9:24).
17. Trevor Johnson has been blessed by several gospel conversations and even promises through tears that they would pray to Jesus, and also for meetings with key people to shift some of his major work to others while he is so ill. He is also thankful for meetings with a high gov't official who will prosecute illegal mining in his region.
18. Please pray for grace and wisdom in dealing with all the issues that have to do with Baruch and Bracha Maoz relocating to the States from Israel by mid 2019.
19. Pastor Obed Rupertus and the Reformed Baptist Church of Santiago, Chile request our prayers for his upcoming visit to churches in the cities of Los Angeles, Concepcion, Valdivia, and Osorno, along with 3 days (22-25) of preaching and teaching in a sister congregation in Puerto Montt, 640 miles south of Santiago.
