*Beginning October 1, 2020, Mark Chanski will assume the position of Coordinator. We welcome him heartily!*

### Coordinator October Itinerary:

- October 11 - Preach at The Gathering Church for their worship services, West Jefferson, NC, Pastor Scott Day.
- October 12 - Speaking at a regional RBNet pastors' meeting hosted by The Gathering Church, West Jefferson, NC, Pastor Scott Day.

## A Note from Gordon Taylor

### Thanks

Rayna and I read some challenging thoughts on prayer by William Gurnall in *Voices from the Past, Vol. 2*. "It is sinful and foolish to give up this duty (prayer)." The neglect of this duty opens the door for Satan. I thank all of you who use the MPG. Your prayers have been effective.

Although no longer Coordinator, I promise, by God's grace, not to retire from the duty of prayer for RBNet gospel laborers.

## MISSIONARY PRAYER GUIDE

"For the earth will be filled with the knowledge of the glory of the LORD as the waters cover the sea"

HABAKKUK 2:14

- 1 The Favres (France) are attempting to organize a baptismal service on Sunday, October 25. Their church hall, however, is too small. It is also difficult to find a place to rent for this meeting because of the Covid situation. Pray that the Lord would open a door and allow them to find the right place. Pray for the three young people who want to be baptized, that they may grow in grace.
- 2 Baruch Maoz will begin teaching a course to a church in Israel via Zoom this month. The course will cover the doctrine of God. Pray for God to use this in the students' lives.
- 3 The Reformed Baptist Church in Carlos Paz, Argentina (pastor Jorge Molina) is still unable to congregate and asks that we pray that the authorities would permit that soon, and with reasonable stipulations.
- 4 Uphold Chilean national pastor Obed Rupertus in prayer as he assists his daughter and her three sons this month in Maryland as they cope with life without their husband/father, who abandoned them. Pray, too, for ministry opportunities for Obed while there. He would love to visit RBNet churches in the area.
- 5 African Christian University reopening for in-person classes September 21. Please join with the Kilians as they pray for students, faculty, and staff to remain healthy.
- 6 When the Johnsons (formerly Papua, recovering in US) came to the States to drop off their son Noah at a Christian military school, the borders to Malaysia closed. Consequently, they are not able to leave. Please pray that the borders will open soon. Pray, too that Noah will continue to adjust well and continue with the Bible study in which he is involved.
- 7 Tim Wenger (Switzerland) requests prayer for Marlyse, his wife, who is undergoing medical tests for pain in her right hand that is preventing her from doing her daily work. Please pray for wisdom to deal with this situation to the glory of God.
- 8 The Secrests (Peru) give praise that they have found housing in the States and ask for prayer in regard to their scheduling of meetings and church visitation while here.
- 9 David Vaughn recently preached at a joint worship service of his church plant with several gypsy groups from 4 French towns who have come/are coming to the Reformed faith out of Pentecostalism. Around 60-70 gypsies were present, all hungry for God's Word. Pray for David, who has been asked to mentor the two young men who are at the head of this movement and are being prepared for eldership.
- 10 The monthly Pastors' Fellowship Breakfasts are a new addition to the Kortie's ministry to Native Americans in AZ, and one which is proving to be a joy. By the time this is printed, they will have hosted 3 meetings in their home. They give thanks for some RBNet pastors who have attended to come alongside the native pastors to offer fellowship, encouragement, and resources. Pray that these men and their wives will be strengthened for further service to Christ's Church.
- 11 Pray for the Emadis (Rep. of Ireland) as they begin gathering the documentation for applying for residency.
- 12 USAF Chaplain S. requests prayer for a couple he has been working with for many years as they navigate a rough spot in their marriage. Both are Christians, and there has been some fruit of that. Pray that they continue to glorify God in the midst of marital difficulties.
- 13 Pray with the Masters (Argentina) that the staff changes at Seminario Carey would be smooth, effective, and a blessing for the students.
- 14 The Favres (France) ask prayer for Nebu and Mary, an elderly Tamil couple whose children live in France and attend the Favres' church. Nebu and Mary have been refused permission to stay in France. Pray that the Lord would allow their appeal to be successful.
- 15 The Wells (Italy) ask prayer for adequate cultural and linguistic adjustment for their newly arrived Italian pastor and his American wife. Also pray with the Wells as they petition the Lord for their church members to grow in their commitment to Christ above all things.
- 16 Pray for Baruch Maoz as he finalizes the translation on Luke's gospel and begins to work on translating the gospel of John.
- 17 Please pray for the Selph's ministry in Atlanta as they hold weekly Bible studies with a family of eight and a family of ten.
- 18 National pastor Jorge Molina (Reformed Baptist Church in Carlos Paz, Argentina) requests that we uphold them in prayer that they be able to get a good price on the rental of a meeting place they've found which has adequate space and good location.
- 19 AW reports they are trusting the Lord to supply their needs to return back to N. Africa. Would you join them in praying for God to provide? They are asking for 100% of their financial needs to be met by May of 2021.
- 20 The Reformed Baptist Church in Santiago, Chile and its pastor, Obed Rupertus, are thanking the Lord for His infinite goodness to them. All of them are now back to work, and God has added to their number a man plus a family of four, all of whom are being disciplined. They are excited to see their growth evident as they respond to the gospel.
- 21 Please pray for the Selph's ministry at the City of Refuge in Atlanta. There is nearly a whole new group of over 15 who are very eager to be taught the Word of God each week.
- 22 The Johnsons ask prayer for their continued ministry in Papua, even from a distance. They recently struggled to gain help for a poor tribal woman, who was being rejected by the hospital due to improper dress and no money, and also dealt with a case of spousal abuse by a seminary student on the field.
- 23 The food ministry has been opening up more doors for the Korties in the village of Chuichu. Every Wednesday morning they deliver food to homes and pray with the families. On Sunday afternoon, they re-visit the homes to share Scripture and have more in-depth conversations. Pray especially for Joey and Carmen as they have been the most receptive to the Korties.
